CAMBRITOR, Mass., Nov. A .- A letter has ast reached the Harvard football management from Lafavette refusing to play the game they had agreed to play with Harvard same they had agreed to play with Harvard at Springdeld next Saturday. No reason is given. Uapl. Cummock wished to play a game at Springdeld before the falle game, in order that his men should get accustomed to the grounds. The Harvard menager arranged a same with Lafayests, agreeing to pay all their expenses, and to now usely provoked at the backing out. It is rather a significant coincidence that Lenigh. Lafayests and University of Fennayisants have all refused to play with Harvard.
